

## BECOMING A FREEMASON

Thank you for your enquiry. We are pleased that you have an interest in Freemasonry.

To become a Freemason, first of all you must be a man, 21 years of age or older, who believes in a Supreme Being. In addition, you must have been resident in the area for a minimum of six months immediately prior to the date of the submission of your application to join and, most importantly, you have to ask to join, as no one will ever invite you to join.

Furthermore, you must be uninfluenced by mercenary or other unworthy motives, and have a desire for knowledge. And you must be capable of supporting yourself and those dependent upon you.

The next step is for you to talk to some Freemasons in the locality in which you either live or work. For this reason, we should first of all like to know a little bit more about you, and how someone should go about contacting you. Therefore, if you are interested in becoming a Freemason, we ask you to let us know the following:

- Your full legal name .....
- Your home address .....
- Your contact telephone number .....
- Your contact email address .....
- Your years of residence in the Province of British Columbia and/or Yukon Territory .....
- Your date of birth .....
- Your marital status .....
- Your present employment .....
- Why do you want to become a Freemason?

.....  
.....  
.....  
.....

- Which weekday evening(s) is/are inconvenient for you? .....

All this information will be held by us in the strictest confidence, and is the same as is required to be given by all Freemasons.

Feel free to call in at the Grand Secretary's office, 105 - 1495 West 8th Avenue, Vancouver, if you want to discuss anything in more detail (again, in confidence). The office is open from 9:00 am to 5:00 pm, Monday to Friday. You may also refer to our website: <http://freemasonry.bcy.ca>.
